

Delta Entrepreneurship Network 2016 Fellowship Entrepreneurs

Billy's Original Foods	Mississippi	Billy's Original Foods is a food company that produces ready-to-eat products in a diversified mix of retail and wholesale distribution. The company will be taking its top selling items from Billy's Italian Restaurant and launching these items in phases for retail, contract production, and food service distribution.
Bulwark	Kentucky	Bulwark is a simulated combat sport suit that allows the user to more realistically simulate a combat gaming environment. With a vast industry of gamers using safe weapons to simulate combat, there is no current quantification of the combat, but Bulwark creates a hit threshold and keeps up with hits made to better quantify the gaming experience.
CoverSix coversix.net	Louisiana	CoverSix educates and trains companies on how to deal with the threat of an active shooter.
Cythereal	Louisiana	Cythereal will bring to market Cy/Malweb, a platform to extract intelligence from malware quarantined by anti-malware systems to help identify targeted cyber attacks. Cythereal detects evolutionary trends in malware that are indicators of a persistent adversary attempting to beat the defenses.
Divorce Secure divorcesecure.com	Tennessee	DivorceSecure is a workflow and collaboration wizard for divorce attorneys to automate and streamline the intake process, create a negotiation strategy based on the client's preferences to keep more of what they want, get a fair custody arrangement for their clients, and, while spending the same amount of time as they currently do, increase their capacity to serve more clients.
Feather f6s.com/feather	Tennessee	Feather is an online referral platform that matches seniors with the perfect caregiver for their needs using special compatibility software.
FIN Gourmet fin-intl.com	Kentucky	FIN Gourmet works closely with commercial fishermen in Ledbetter, KY, to obtain wild-caught fish from Kentucky waters and produce boneless fillets, high-grade surimi, and other products that are staples to old-world Asian cuisine. These surimi/fish paste products are sold both wholesale and retail to primarily Asian grocery stores and customers, supplanting what is mostly an import industry.
