

2017-2018 NOTICE OF INTENT TO APPLY

For the Delta Creative Placemaking Investment program in the eight-state Delta Regional Authority service area beginning in September 2017.

The Delta Regional Authority (“DRA”) works to improve regional economic opportunity by supporting job creation, building communities, and improving the lives of the 10 million people who reside in the 252 counties and parishes of the eight-state Delta region. DRA is looking for applicants that can substantially improve the physical and social character of their towns, cities, or regions, through the arts and cultural activities in the eight-state Delta Regional Authority area (Alabama, Arkansas, Illinois, Kentucky, Louisiana, Missouri, Mississippi, and Tennessee).

The Delta Creative Placemaking Investment (DCPI) program is designed to help communities enhance the quality of place and quality of life by investing in the distinctive local character of Delta places, for positive economic and community outcomes. DCPI applications shall demonstrate how proposed projects will advance one or more of DRA’s funding priorities including: basic public infrastructure, transportation infrastructure, business development, and job training or employment-related education. By investing in one or more of DRA’s funding priorities, the DCPI program seeks to revitalize Delta downtowns and main streets, support job creation and innovation, and promote diversity and inclusiveness around a shared understanding of arts, culture, and community, in an effort to advance comprehensive economic and community development strategies within the Mississippi River Delta region and Alabama Black Belt.
