WHAT DOES THIS PROGRAM DO?
The Delta Workforce Program (DWP) is an initiative designed to build long-term community capacity and increase economic competitiveness across the Mississippi River Delta region and Alabama Black Belt by investing in industry-driven workforce training and education. In partnership with the U.S. Department of Labor (DOL) Employment and Training Administration (ETA) and the Appalachian Regional Commission (ARC), four technical assistance workshops/webinars, more than $30 million in grants, and post-award technical assistance will be made available to eligible entities within the Delta and Appalachian regions.
