Perkins V

Aligns, high-quality career pathway system informed by industry and community

• **Goal: Increase Postsecondary and Industry-Recognized Credential Attainment**  
  • Guiding Principle: Business Engagement Occurring through all Levels of CTE Programming, to Ensure Relevant and Rigorous Programs of Study and Curricula

• **Goal: Enhance Career Pathway Opportunities**  
  • Guiding Principle: Collaboration and Support to Ensure CTE Programming is Developed and Supported with Guidance from Collaborative Partners

• **Goal: Expand Early College Credit Opportunities**  
  • Guiding Principle: Innovation through the Identification and Promotion of Promising and Evidence-based Programs, Practices, and Strategies

• **Goal: Increase Responsiveness to Communities’ Workforce Needs**  
Career Pathway Projects

• Integrate workforce, education, and economic development services
• Serve opportunity youth who face barriers to employment and education
• Incorporate practices that align with the statewide adopted definition for a career pathway framework
Youth Career Pathway

• **Youth Career Pathways Program** will provide grants to serve youth with barriers that prevent continued education and employment. Successful pilot projects will integrate workforce, education, and economic development services and address barriers to accessing job-driven training resulting in employment opportunities. These projects will inform the development of sustainable career pathways for young people throughout the state.
• **Illinois Talent Pipeline Program** uses strategies to train workers who can contribute to a company’s growth and success. Projects funded under this program are intended to develop sustainable work-based learning programs to help Illinois companies retain and train current workers and hire new staff. The goal of a talent pipeline grant is to maintain a pipeline of hireable talent for the employer being served.
• **WIOA Statewide Workforce Innovation Program** can fund projects that support the vision, principles, goals and strategies articulated within the WIOA Unified State Plan. The primary areas of focus for this program includes: industry sector partnership projects, innovative workforce pilot and research projects, priority population projects, and statewide technical assistance initiative.
Local Workforce Area Support

- **Apprenticeships Assistance** – may reimburse up to 50% of DOL Registered Apprentice’s wages (example of one local area reimburses up to 3,500 hours or $25,000)

- **Career Transition** – may provide Outplacement Service workshops for laid off workers, including presentations by the local workforce area, IDES, community colleges, and other supportive organizations.

- **Incumbent Worker Training** – may reimburse employers up to 100% of the cost of training when employees require training to retain employment, stay marketable, etc. There is up to a 50% employer match, usually in the form of employees’ wages during training.

- **Job Postings** – your local area may help with job ads by posting in their Career Resource Centers and emailed to local contacts at community-based organizations.

- **On-the-Job Training** – may reimburse employers 50-75% of an eligible new hire’s wages during training. Contract must be in place before the individual is hired. New hires must be WIOA eligible.
Apprenticeship – Workforce Strategy

1. Help individuals connect to a career pathway for many different occupations.

2. A work-based learning model
   • “Learn and Earn” model
   • On-the-job training is combined with relevant classroom instruction

3. The Apprentice progressively acquires new skills

4. The Apprentice applies these learned skills on the job under the supervision of a mentor.

5. At completion, the Apprentice receives an industry recognized credential(s).
