ALUMNI NETWORK

WHAT IS THE DELTA LEADERSHIP NETWORK?

The Delta Leadership Network (DLN) comprises all alumni of the Executive Academy and is tasked with maintaining these relationships among regional leaders to foster regional collaboration, resource sharing, and continued education addressing the Delta's most pressing issues. Now 500-members strong, DLN members continue their engagement through state meetings, an annual DLN conference, and continued engagement with new cohorts of the Executive Academy.

WHO ORGANIZES THE ACTIVITIES OF THE DLN?

DLN members are led by an elected volunteer Regional Advisory Council (RAC) which includes two members from each state and a council chair. The RAC supports DLI staff in planning and executing activities throughout the year that support DLN's mission of continuing education, information sharing, and collaboration beyond the DLI experience.

DELTA LEADERSHIP NETWORK ANNUAL CONFERENCE

Each year the DLN convenes its membership for a conference that provides new learning opportunities, a field experience, and networking to maintain the regional collaboration and resources that make the network so important to its members.

ARE THERE ADDITIONAL LEADERSHIP TRAINING ACTIVITIES?

To foster continued education for DLN members, DRA and DLI have offered three continuing education training opportunities in partnership with the Harvard Kennedy School of Government. The Authentic Leadership executive education program is designed and led by Harvard faculty, and focuses on cutting edge leadership principles in the U.S. More information about upcoming executive education opportunities for DLN members are announced each year.
